Have you discovered the keys to a fulfilling life?

Do the roles you play or the work you do fit with who you are?

Does the life you lead give you a sense of purpose and meaning?

LifeKeys is an organized approach for you to discover who you are, why God made you and what you do best.

Although LifeKeys is primarily designed with ministry in mind, the benefits of taking LifeKeys extend far beyond the church.

It may help you:

- *improve your self-awareness*
- *increase your ability to recognize sources of stress*
- *stop being mismatched with church and other jobs*
- *develop better ties between your vocational gifts and your spiritual gifts*
- *to discover new gifts*
- *discern the difference between what you want to be and what God wants you to be*
- *to decide what you want to be "when you grow up" – in the next season of your life*
- *to learn to appreciate the gifts you have and mourn the ones you don't*
- *to be spiritually recharged*
